

Garden

Seedlings

for sale

Herbs
Chives, Basil, Dill, and
more!

Flowers
Marigold, Zinnias, Black Eyed Susans, and
more!

Vegetables
Multiple varieties of peppers and
tomatoes, kale, cabbage, eggplant and more!

All proceeds from the sale of seedlings support the Harmony Greenhouse at Harmony Learning Center, located in Maplewood, MN.

Harmony Learning Center serves 800 adult English Language Learners, 400 students working toward their GED, and 80 at-risk high school students working toward their high school diploma.

The Harmony Greenhouse offers these opportunities for English Language Learners and other students:

- English language skills, celebrating cultures, and building community
- Food production skills and education
- Greenhouse Grower Skills Certificate from Century College
- Potential employment in the Harmony Greenhouse
- Future training program in small business development

For order forms visit Our Community Food Projects at www.ourcommunityfoodprojects.com or call 612-423-0707.
